How to write Good Proposal

Jakarta, July 28, 2003

Sampoerna Foundation Background

Sampoerna Foundation

The Sampoerna Foundation was established on March 1, 2001 in response to the needs of improving the quality of Indonesia's human resources.

Sampoerna Foundation is a non-profit organization with a mission to improve the welfare of Indonesian people through education

Sampoerna Foundation – Vision and Mission

Sampoerna Foundation is expected to achieve positive change in Indonesia through:

- identifying and investing in credible education initiatives

- providing opportunities for less privileged young Indonesians to fulfill their potential

- giving individuals the skills and abilities needed for Indonesia's development

- creating responsible leaders at all levels and equip them with basic values and ethics for life

- building and maintaining an interactive network that supports and mentors others to achieve the Foundation's vision

- encourage and support giving back/philanthropy
